

A group of members from the DARC-Ortsverband Stiftland, DOK: U23 made their third WFF-activation at may, 29 2010.

After two activations in Germany, we planned this time for our neighbour-country Czech Republic. Against the first plan with our homecalls OK I applied at the beginning of may for the callsign OK8WFF. With the kind help of the Czech Radio Club who

- 2. welcome in Nature Park Cesky Les
- 3.+4.+5 our setup-arrangement

2

brought me to the right address and the very quick work from the responsible person of Czech telecommunication office the licence arrived right in time at may 27th. Our location was in the northernmost corner of the park, close to the city of Broumov, not too far away from the former border crossing Mähring/Broumov.

3

We used again the mobile-trailer from Günther -DC2RK-. Equipment a G5RV plus a 40/80Meter-dipole. Rig was an FT990 + FT2000 powered by a

5

2kw-generator.

As this was the WPX-CW-weekend we decided to operate mostly SSB. Also we planned at first for sunny 30th but when we saw the horrible weather-reports we decided for one day earlier. The first QSO was at 1121UTC with M0BXM. After a good opening period with good runs on 20 and 40 meter the conditions changed rapidly. During the afternoon we had very long runs where we had to call endless without any reply. 20 meters was to-

tally

7

6. on the way to Cesky Les you are coming along Mount Dylen (Tillenberg), close to the centre of europe
7. Xaver -DK4RM- unusual with the Microphone, he normally prefers the key
8. Manfred -DF6EX- in operation
9. Günther -DC2RK- as usual does every important thing which is required for a successful operation.
10. The licence

down. Only in the early evening conditions on 40 meters came back and we had a good final hour with the last QSO at SP2MKU at 1820 UTC.

8

Finally 448 QSOs were made. We hope you were successful and enjoyed the pile-up. Probably will meet you from another one.

73, 44, Team OK8WFF/p
